

MD.AL-AMIN

Web Developer

Hi,

My name is MD.AL-AMIN and I am a front-end web developer with 2 years of experience. I specialized in creating dynamic and user-friendly websites using HTML, CSS, JavaScript, Bootstrap, Tailwind, React, etc. I have a passion for web development and I am constantly seeking new ways to improve my skills and stay up-to-date with the latest trends and techniques. I am always eager to learn and grow as a developer and excited to see where my career takes me next.

EXPERIENCE

Front-end Developer | Freelancer.com | 2021 – Present

I have been employed as a web developer at Freelancer.com for the past two years. Throughout my tenure, I have gained a wealth of knowledge and experience by successfully completing numerous projects for my esteemed clients. My clients have expressed their satisfaction with my performance.

- Coded websites using HTML, CSS, JavaScript, and jQuery languages.
- Provided front-end website development using React, Next.js, Tailwind CSS, and other editing software.
- Completed full redesigns of existing websites to improve navigation, enhance visuals, and strengthen search engine rankings.
